

M. VISVESVARAYA CHATRAWAS

M. Visvesvaraya Chartawas is located beside the Library. It consists of one hundred seventy six rooms of single occupancy. It consists of a volleyball court. All the rooms have separate balconies. It is a four story building. There is a common mess for the students. This is occupied by B. Tech third year students, M. Tech second year students and PhD students of the college. All the rooms are properly provided with lights, wardrobe, chair, table and window. There are two sections of the hostel. The hostel has a great infrastructure of the 20th century and looks like double cross joined by and equal two when seen from satellite view. There are bathrooms and aqua water filters at every floor of each section. There is a common room with a LCD television. The entrance is equipped with a newspaper column to aware the students with the news of the world. There are two notice boards located near the entrance. The hostel is equipped with twenty four house water and electricity supply.
