

SWACHHTA PAKHWADA

Swachhta Pakhwada started from 1st of September with the day celebrated as “**Clean Campus Day**”. In the inauguration, there was an oath on Swachhta followed by cleaning the campus. Next day was celebrated as “**Clean Hostel Day**”. Students participated in cleaning the hostel, their rooms and in and around areas. On third day of the event, **118 plants** were planted as the day was celebrated as “**Green Campus Day**”. Next day was celebrated as “**Clean Mess Day**” followed by an essay contest on the topic “Innovative ways for spreading the message of hygiene”. 6th of September was celebrated as “**Clean surroundings day**”. On this day, a rally was carried out from NIFFT campus to surrounding regions of Kachnar Toli and Singh More, Hatia for spreading message regarding cleanliness, health and hygiene in and around the regions of the college. A “**Nukkad-Natak**” on the theme of “**Health & Hygiene**” was also presented by NIFFT students. 7th of September was basically meant for studying the garbage cleaning systems in public spaces. Students participated in visiting the places near the college where there was regular dumping of garbage. 8th of September was another day of rally. The main concern was to spread awareness regarding cleanliness, health and hygiene. The rally covered the slum areas of Hatia. Bleaching powder was sprinkled in the drains and the roads in the locality was cleaned by the students and faculty members of the college. A “**Nukkad-Natak**” was also presented by the NIFFT students in the slum areas. On 9th of September, students visited markets of Singh More and Hatia Chowk for study the systems for cleaning. Also this day was celebrated as “**Plantation Day**” in cooperation with Ranchi University and St. Xavier’s College. On 10th of September, students visited Divisional Railway Hospital, Hatia, S.E. Railways for studying the health and hygiene systems for disposal of garbage and hospital wastes. The CMS and Additional CMS of the hospital guided them regarding the matter. On 11th of September, the students visited “**Apna Ghar**”, an Old age Home for spreading the message of health and hygiene there. On the following days, competitions like elocution and drawing and painting competitions on the topic “**Health & Hygiene**” were conducted among the students. In the closing ceremony, the students submitted the report of the event to the Chief Guest **Shri. Divyanshu Jha, Assistant Commissioner, Ranchi Municipal Corporation** and mentioned the changes required in the in and around regions of the college.
