

Jagdish Chandra Bose Chatrawas

The NIFFT campus is spread over an area of 65 acres. It houses the administrative building, academic buildings and halls of residence for students. NIFFT has five boys' hostels, one of them is "Jagdish Chandra Bose Chatrawas" in which the B. Tech final year and M. Tech people reside.

With a hostel capacity of around 200 students the hostel is a three floored building consisting of lifts on each floor with well equipped bathroom facilities and a hostel mess where the students have their daily meals. Each of the students are allotted a single room consisting of all the equipment the student would need. The hostel also contains some extra rooms where the guest student of other college reside when they arrive for the college fest.

The hostel has sports facilities such as TT tables, football ground, basketball ground, badminton court, carom boards and Volleyball courts apart from the common college facilities. Moreover, it has a LCD TV with a DTH connection for entertainment purpose. People also have a high speed internet access through LAN in each room.
