

# KALPANA CHAWLA CHATRAWAS

Kalpana Chawla Chatrawas, the only girls hostel of our prestigious institute- National Institute of Foundry and Forge Technology is located just opposite to director's mansion under proper security and adequate guidance of hostel warden and chief hostel warden. KCC was inaugurated by Sri Sandeep Gupta, Honorable Chairman, Board of Governors in presence of Late Prof. S.N. Sinha, Ex-Director NIFFT, Hatia on 30th December 2011. The hostel has a capacity to accommodate around 100 students. It comprises of 42 well furnished rooms equipped with latest furniture along with separate cupboards and plenty of space. The rooms are supplied with 24hrs electricity and high-speed internet connection. The hostel consists of three separate floors with continuous water supplying aquaguards. The hostel mess is located at ground floor and has a receptionist counter to attend parents and outsiders. The terrace is fitted with four 1000 liters water tanks to meet the daily demands and three 50litre aquaguards. Proper cleanliness is maintained throughout the hostel. The hostel has a good-sized play ground with total availability of all sports equipments. The hostel has a common room with a LCD TV with a DTH connection. The hostel has a well-furnished sick room with proper medical facilities. The hostel has different committees to manage maintenance, mess, health and sports departments of the hostel. The hostel is provided with female and male guards for providing proper security.
